### YOUR TRUSTED LIGHTING SOLUTIONS SUPPLIER

#### **EXCEEDING EXPECTATIONS SINCE 1981**

Since 1981, our main focus has been to grow our business by being your #1 trusted source for lighting. Today, we continually strive to find the best talent to support your needs and hold our vendor partners to the highest standards. Atlanta Light Bulbs prides itself on keeping a diverse product offering of lighting controls, ballasts, incandescent, halogen, fluorescent and the latest in cutting-edge LED lighting solutions and smart lighting, all from brands you can trust. Our goal is to grow our relationship with each and every client using our extensive and granular knowledge of lighting. This is a value that we give to you free of charge. Our highly knowledgeable experts are more than competent in lighting energy analysis, energy efficient lighting, LED lighting retrofits and the latest in the world of lighting.

#### FAMILY OWNED AND OPERATED

Our fa wheel and operated company takes great care to function as a respected resource in our field. We financially support the Atlanta Better Business Challenge, and we are members of the National Association of Independent Electrical Distributors, SouthFace, the Cox Family Enterprise Center, the Build's Owners and Managers Association, the US Green Buildings Council, and Green Chamber of the South. We are also certified Lighting Specialists (LS-1) by NAILD, we are partnered with Energy Star, and we involve ourselves in many other respects with the industry and with the community.

https://www.atlantalightbulbs.com

Attention electricians and lighting contractors: We carry commercial lighting fixtures, replacement sockets, ballasts and LED bulbs. We're available to help you satisfy specific requirements for your next lighting retrofit. Just tell us your light tones, energy requirements, lighting purposes, and environments and we'll take it from there. We're your trusted resource in lighting!
